

Privacy statement visitors website

Profish Food B.V. takes privacy seriously. If you would like to know what personal data we have recorded on you, you can always get in touch with us at hrm@profish.nl
This privacy statement briefly describes how we treat the personal data of visitors to this website and how we protect those details.

The purposes of processing the data of visitors to the website

If you complete a contactform on the website or send us an e-mail, the details that you send to us will be retained for as long as it is necessary to answer or deal with the form or e-mail fully.

Click behaviour and visitor data

General visitor data is retained by our website. The IP address of your computer, username (if applicable), the time of request and data sent by a visitor's browser are registered and used for statistical analysis of visitor and click behaviour on the website. We also use this data to improve how the website works. We endeavour to keep this data as anonymous as possible. This data is not disclosed to third parties.

Social media

Buttons have been included on this website to allow you to share pages on social networks [Facebook, LinkedIn, Instagram and Twitter]. These buttons are included by using code supplied by [Facebook, LinkedIn, Instagram and Twitter] itself/themselves. This code places a cookie (see below). In order to know what Facebook and LinkedIn and Instagram and Twitter do with the personal data processed by means of these cookies, see their respective privacy statements (which may be frequently amended).

Privacy statement amendments

We reserve the right to amend this privacy statement. Should we do so, any amendments will be published on this website.
